The Activity Instructor/Group Leader role combines these two roles enabling you to broaden your own experience and develop numerous transferable skills. You will find yourself delivering both roles but will be able to spend more time in one role depending on where your skills lie.

RETAIL

All of our centres have a gift and tuck shop where guests can buy all manner of our partners related goodies as well as refreshments, souvenirs and confectionery.

Some of our larger centres also have onsite bars which are open in the evening for our partners adult guests and staff – these are also staffed by our Retail Assistants.

At some of our smaller centres this role is combined with that of housekeeping or General Assistant so you will spend your time between the roles.

The gift and tuck shops are open on a daily basis and are where you will predominantly be based. You may have the opportunity, in your spare time, to participate in evening entertainments/activities with our partners guests and build up your skills, competencies and confidence.
