# ALFRED HITCHCOCK ROOMS

## Housekeeping & Other things to know about these rooms

We've secured rooms at the Alfred Hitchcock Hotel at a heavily discounted rate for our Jumpstart London participants – normally, stays here would cost closer to £700 per week.

While it's set up like a hotel, it doesn't operate like a typical full-service hotel. The property is often used by groups like rugby and cricket teams, so aside from occasional weekend guests, the vibe is more practical and budget-friendly than traditional hotel living.

The upside? Anyone staying here gets priority when rooms become available in our shared housing, making it a great short-term base when you first arrive.

## Housekeeping

Rooms are not serviced daily, so things like rubbish and general upkeep are your responsibility during your stay.

## Location & Transport:

- ✓ Close to London Underground Central Line via Leytonstone Station (easy access into Central London)

- ✓ The 257 bus runs nearby, taking you through East London towards Stratford and into Central areas
- ✓ Cafes and breakfast spots within walking distance

## Who is it best for?

- ✓ Travellers who want privacy + their own space
- ✓ Couples
- ✓ Anyone not keen on dorm-style living
- ✓ Most people use this as a short-term landing spot when they first arrive in London or back from travels.

## Check -In and contact

3. After successfully passing the screening, you're almost there! You'll receive the contract to review and sign, outlining all the terms and conditions for your new home.

## The Deposit Free renting scheme

Our professional share houses are partnered with – Reposit. Reposit is an alternative to tenancy deposits, allowing you to pay a small fee of one week's rent instead of a traditional deposit.

## How Reposit works

### 1: Sign up & pay

Once you have chosen Reposit, your agent will send you a link to signup and pay your Reposit fee on our platform. This activates the Reposit and will need to be done before your tenancy starts.

### 2: Enjoy your new home!

It's as easy as that! You're ready to move in. You can keep your details up to date via your Reposit dashboard. If your tenancy lasts for more than 12 months you will be charged a £30 annual fee, split between all tenants.

### 3: End of tenancy

Roughly 70% of tenancies end without any charges due at the end of tenancy. In these cases, there's nothing else for you to do. No waiting around for your deposit to be repaid! If there are charges, Reposit will notify you of these and give you the option to accept and pay, or raise a dispute.
